* The Company had invested a sum of Rs. 698.74 Lacs (Face Value Rs. 700 Lacs) net of commission amounting to Rs.1.26 lacs in the Bonds of UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) for a tenure of 18 months, which was duly guaranteed by the UP State Government. The Company approached UPSCMFL for redemption of bonds on due date i.e 20th December, 1999. Upon failure of UPSCMFL to redeem the bonds on due date, the Company invoked the aforesaid Government Guarantee through suit filed on 28th November, 2001 at Lower Court, Chandigarh against UPSCMFL & UP State Govt. for recovery of the aforesaid amount and the Hon'ble Lower Court passed decree in favour of the Company vide its order dated 30th January, 2004.

UP State through Special Secretary filed an application under Order 9 Rule 13 for setting aside the above said Decree being ex parte on 2nd September 2004 and also applied for stay of execution at the Lower Court Chandigarh. Stay application of UP State was dismissed on 13th September 2004 and the application under 9/13 was kept pending.

UP State Govt, filed the Revision Petition, against the order of dismissal of stay by the lower court, at Hon'ble Punjab & Haryana High Court, Chandigarh. In order to admit their Revision Petition, the Court ordered UP State Govt. to deposit a sum of Rs.735.63 lacs (50% of the Decretal amount). The aforesaid sum of Rs.735.63 lacs was released to the Company against furnishing of Bank Guarantee of equivalent amount on 22nd April, 2006.

On 12th March 2010 the application filed by UP State under Order 9 Rule 13 was dismissed by the Lower Court Chandigarh. UP State filed an Appeal in the Court of Add. Dist. Judge Chandigarh and got the stay on 21st July, 2010. The application of UP State for Stay got dismissed on 10th November, 2012. UP State filed Civil Revision against the order of Distt. Judge Chandigarh at Punjab and Haryana High Court Chandigarh. The Civil Revision filed by UP State was dismissed by the Hon'ble Punjab and Haryana High Court on 20th September, 2013.

UP State Govt. filed appeal against the aforesaid order of the Hon'ble Punjab & Haryana High Court with the Hon'ble Supreme Court through SLP. The Hon'ble Supreme Court vide its order dated 19th January, 2015 directed the company to refund the aforesaid sum of Rs 735.63 Lacs to the UP State Government. In compliance with the aforesaid orders of the Hon'ble Supreme Court, the company refunded Rs. 735.63 Lacs by allowing the Hon'ble Court to invoke the Bank Guarantee of the equivalent amount submitted to the court earlier.

In view of the aforesaid order passed by Hon'ble Supreme Court maintaining that the UP State was not a party defended before the trial court, the company was constrained to file a fresh civil suit against the State of U.P at District Court Chandigarh as on 11th March 2016 for recovery of Rs 68,40,31,048/- in order to preserve its right of huge claim. Later on, after aforesaid invocation of the Bank guarantee of Rs 7,35,63,325/- the company filed a revised claim on 30th October 2018 to the tune of Rs.75,75,94,373/- (Rs 68,40,31,046/- plus Rs 7,35,63,325/-) which is pending. UPSCMFL, is presently under liquidation and the company has filed its claim with the Official Liquidator on 23rd May, 2016 at Kanpur and later, on account of invocation of Bank Guarantee, a revised claim was filed on 26th September 2018 to the tune of Rs. 1,10,75,01,023/- with interest as on 28th August, 2018 in order to maintain its valuable rights in future. The revised claim was sent through the authorised representative of the company and was duly acknowledged by the officials of UPSCMFL. It was also sent through the Registered Post which has not been received back thus duly served.

In the light of the aforesaid orders of Hon'ble Supreme Court, the decree is not maintainable against the State of U.P, therefore, the Company filed a fresh execution application against the principal debtor i.e UPSCMFL at the Hon'ble Lucknow Court on 30th January, 2016 (as the Decree was issued against both the parties viz., UPSCMFL and the State of UP).

The company has reflected the value of investment in bonds at cost. Further, the principal amount of bond is fully guaranteed by the UP State Government, but due to the protracted litigation the time of recovery is indeterminable. (Also Refer note 5 and 42(a))

The award was passed by ICA for an amount of Rs. 226.17 Lacs (Claim of Rs.182.15 Lacs plus Interest of Rs.29.54 Lacs till date of award and Arbitration fee of Rs. 14.47 Lacs) in favour of C-Dot. The said award passed by ICA is being contested by the company before the Hon'ble High Court- Delhi. The application for setting aside the award has already been admitted by Delhi High Court and accordingly Interest & Arbitration cost liability of Rs.184.64 Lacs (Rs. 159.24 Lacs) on account of non payment of award amount has been shown as contingent liability, pending appeal in the Hon'ble High Court, Delhi. Refer Note -35.

C-DOT had also filed another claim of Rs. 24.88 Lacs against the Company under the agreement for transfer of AN-RAX technology which was dismissed by sole arbitrator appointed by Hon'ble Delhi High Court thru its award dated 7.12.18 as not maintainable.

Note 39 : The company has been giving performance guarantees against equipments supplied to various customers and has not incurred any material expenditure on replacement of any part or equipment except for expenditure on travelling of service engineers which is accounted for as and when incurred. Keeping in view the past pattern and the concept of materiality, no provision has been created or disclosure has been made. This is in accordance with the requirements of IND AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

(a) Liquidity risk: Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. The Company's principal sources of liquidity are cash flows generated from operations and other income generated from rented properties and interest on fixed deposits. The company is subject to liquidity risk to pay trade payables, short term borrowings and other financial liabilities & statutory remittances total amounting to Rs.5394.77 lacs (Rs.5367.42 lacs). Further, provision for doubtful debts as on 31.03.21 stands at Rs. 194.87 lacs (Rs. 195.25 lacs). Also Refer Note-9 & 37

(b) Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

(i) Interest rate risk: Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has invested in fixed deposits which will fetch a fixed rate of interest, hence, the income and operating cash flows are substantially independent of changes in market interest rates.

(ii) Foreign currency risk: Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has very limited foreign currency exposure which are mainly due to imports of raw material and property, plant and equipment. The Company manages material currency exposures through use of forward exchange contracts which leave the Company with no material residual risk.

(iii) Price Risk: The Company has not invested in any financial instruments which are subject to price risk.

(C) Credit risk: Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is exposed to credit risk from its operating activities (primarily for trade receivables) and from its investing activities, including deposits with banks.

(I) Trade receivables: Trade receivables are non-interest bearing and outstanding customer receivables and these are regularly monitored. Major portion of customer base of the company is Government Organizations thereby reducing the risk of not meeting contractual obligations by the customer. Total Net trade receivables as on 31st Mar,21 and on 31st Mar, 20 are Rs.1824.45 Lacs and Rs.2428.28 Lacs respectively. The net provision for doubtful debts reversed in current FY 2020-21 is 0.38 lacs. Also Refer Note 9 & 26.

(II) Other financial assets: Credit risk from balances with banks is managed by Company's in accordance with the board approved policy. Investment of surplus funds are made only with approved financial institutions who meet the minimum threshold requirements under the counter party risk assessment process in which certain criterias are evaluated at the time of making investments.

The following methods / assumptions were used to estimate the fair values:

- The Company has reflected the value of the investment in Bonds at Cost as the same has been decreed in favour of the company and fully guaranteed by the UP State Government but due to protracted litigation the time of recovery is indeterminable.
- Loans and advances include loans to employees on which the Company charges interest at the rate 10 percent p.a, therefore their carrying values are not expected to be significantly different from their fair values. Further, Security deposits (interest-free) lying with government departments agencies and other

parties have been shown at its carrying value due to non determination of any fixed period with regard to receipts against such security deposits.

- (c) The fair values of other financial assets are assessed by the management to be same as their carrying value and is not expected to be significantly different if estimated by using Present value techniques.
- (d) The carrying value of these financial assets and financial liabilities approximate their fair value mainly due to the short-term maturities (i.e within 1 year) of these instruments.
- (e) The Company has used Level-3 inputs from Fair value hierarchy (key input: interest rate applicable to loans and advances to employees i.e 10 percent p.a) for measurement of Loans & advances to employees (Festival advance) at Fair value through Profit & loss using Present value technique (effective interest rate method)
- (f) The Company has used Level-3 of fair value hierarchy and used Present Value Technique to measure the fair value of security deposits wherein part of deposits recognized in the future cash flows are classified under deferred income which has been further divided into Current & Non-Current. The discount rate used by the company is 9 percent per annum.

Note: 43 Information regarding income and expenditure of Investment property

Particulars	2020-21	2019-20
Rental income derived from investment properties	388.48	317.32
Direct expenses generating rental income (Property tax + Repair/maintenance)	29.65	21.82
Profit arising from investment properties	358.84	295.51

The investment properties consist of industrial properties which are used to generate rental income. These are accounted for at Written down value in books of accounts. During the FY 20-21, an owner occupied PPE (Land & building) has been transferred/classified into Investment property. Total fair Value of the properties are Rs.7745.47 lacs (Rs.6537.33) lacs as at 31st March, 2021 and 31st March, 2020 respectively. These market valuations are performed by an accredited independent valuer during FY 19-20 & FY 20-21. The fair value is categorized in Level 2 fair value hierarchy. Also refer Note-1 (III) & Note 2.

Note : 44 Capital Management

Equity includes all capital and reserves of the Company that are managed as capital. The primary objective of the Company's Capital Management is to maximize the shareholder value by maintaining an efficient capital structure and safeguard Company's ability to continue as a going concern. The Company maintains the optimal capital structure so as to reduce the cost of capital.

The capital structure of the Company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity so as to maintain investors', creditors' and market's confidence. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note : 45

The previous Year figures have been regrouped/re-classified & re-arranged wherever necessary to conform with the current presentation as per Schedule III of the Companies Act, 2013 (and amendments thereon) and applicable IND AS. The amounts shown under Balance Sheet, Statement of Profit & Loss, Cash Flow Statement, Statement of Changes in Equity and accompanying notes, etc. have been rounded off to rupees in lakhs (unless otherwise stated). Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Note : 46

The company has been selected for disinvestment by Cabinet Committee on Disinvestment, Government of Punjab. During the FY 2019-20, the Directorate of Public Enterprises and Disinvestment, Government of Punjab had appointed M/s Resurgent India Limited, Gurgaon (Haryana) as Transaction Advisor for Puncom Disinvestment. During FY 20-21, the Government of Punjab has closed the submission of "Expression of Interest" (EOI) by eligible bidders on 1st February, 2021 vide Corrigendum-5. Further, as part of the disinvestment, the company is under the process of due diligence activity to be conducted by shortlisted bidders.

Note : 47 Disclosure related to the impact of global health pandemic COVID-19 on financial statements:

COVID-19 pandemic has rapidly spread throughout the world, including India. Governments in India have taken significant measures to curb the spread of the virus including imposing mandatory lockdowns and restrictions in activities which have adversely impacted the company's operations in terms of customer demand, supply chain matters, reduced travelling to project sites having pan-India spread, resulting in delays in project completion and recovery from customers.

However, as the major customers of the company are Government departments like Railways and State Power Corporations, therefore no permanent impairment of debtors is estimated and the company expects to recover the carrying amount of these assets in due course.

Overall operational and financial performance will depend on future developments, including the duration, spread and intensity of the pandemic, all of which are uncertain and difficult to predict considering the rapidly increasing spread of virus. As a result, it is not currently possible to ascertain the overall impact of COVID-19 on the Company's business. However, if the pandemic continues to evolve into a severe worldwide health crisis, the disease can have adverse effects on the company's business, results of operations, financial condition and cash flows.

In terms of our separate report of even date.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2021

Note 1

SIGNIFICANT ACCOUNTING POLICIES

I Basis of preparation of Financial Statements

- a) The Company has adopted Indian Accounting Standards (the 'Ind AS') prescribed under section 133 of the Companies Act, 2013 (the 'Act'), read with the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, with effect from 1st April 2017 with 1st April 2016 as the date of transition as per MCA notification dated 16th Feb, 2015. Accordingly the financial statements have been prepared in accordance with the said Ind AS & Rules and other recognized accounting practices & policies to the extent applicable. The company has applied IND AS to items which are material and made specific disclosure required by an Ind AS if the information is material or when required by law in accordance with said notification. Accounting policies unless referred to otherwise are consistent with generally accepted accounting principles. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.
- b) The Company follows mercantile system of accounting and recognizes all the items of income and expenditure on accrual basis. Further, certain items of income and expenditure are recognized as and when they are incurred, ascertained or settled, in line with accounting policies which are as under :
- i) Additional demand for taxes arising on completion of assessments are accounted for as and when determined as payable.
 - ii) Refunds on account of excise duty, custom duty, income tax, VAT and insurance claims are accounted for on settlement.
 - iii) Customer claims, recoveries, liquidated damages and penal interest for delay in execution of the contracts are provided for as and when settled.
 - iv) Ex-Gratia payments to employees are accounted for as and when incurred.
 - v) The claims for price escalation on sales are accounted for on settlement.
 - vi) Expenditure on warranty and guarantee of satisfactory performance of equipments is accounted for when incurred.

II Use of estimates

The preparation of financial statements is in conformity with generally accepted accounting principles in India (Ind AS) and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

III Property, Plant and Equipment (PPE) & Investment property

Investment properties are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

The items of Property Plant & equipment are measured at Cost less any accumulated depreciation and any accumulated impairment losses. The cost of an item of property, plant and equipment comprises:

- (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) the initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, the obligation for which an enterprise incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment measured as per the previous GAAP and use that carrying value as the cost of the Property, Plant and Equipment.

Depreciation

- a) The depreciation on property, plant and equipment and Investment property is provided on written down value (WDV) method at the rates determined after taking into account the prescribed useful life for respective class of assets which is in line with Schedule II of the Companies Act, 2013. The property, plant and equipment amounting to Rs. 5000/- or less individually purchased during the year are depreciated at the rate of 100%. Residual value has been taken as 5% of original cost of said assets or WDV as on 31.03.2014 whichever is lower except those valued at Rs. 5,000/- or less individually. The estimated useful lives of assets are as mentioned below:

Asset Class	Period (Years)
Buildings – Factory	30
Building (Other than Factory)	60
Temporary Structure	3
Plant and Machinery*	15
Electrical Installations and Equipment	10
Furniture and Fixture	10
Vehicles	8
Office Equipment (Other than Computers)	5
Computers	3

* Includes Computers & Data Processing units which are part of Plant and machinery and classified under P & M head and their useful life is also taken accordingly.

- b) Depreciation also includes amount written off in respect of leasehold properties and assets (if any) over the respective lease period.
 c) Calculation of depreciation on the additions during the year is done on pro-rata basis from the date of its receipt plus 10 days for installations.

Impairment:

As per IND AS 36, the carrying amount of assets including Property, plant and equipment & Investment property are reviewed at each Balance Sheet date to assess impairment, if any based on internal / external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value being higher of value in use and net selling price. An impairment loss is recognized as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

IV Intangible Assets

Intangible assets (if any) purchased are measured at cost on the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any as per IND AS-38.

V Borrowing Costs:

As per IND AS 23 Borrowing Costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized. Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

VI Cash and Cash Equivalents

Cash and Cash Equivalents comprises cash at bank, cash in hand and other short term highly liquid Investments/Fixed Deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value in accordance with IND AS 7

VII Valuation of Inventories:

- a) Inventories are valued at the lower of cost or estimated net realizable value. Inventories are valued according to FIFO method of valuation.
 b) Cost of Work in process includes cost of material plus direct labour.
 c) Cost of Finished sub assemblies includes cost of material plus overheads apportioned on the basis of actual stage of completion as at year end.
 d) Finished goods are valued at lower of cost or net realizable value.
 e) Goods received after the cut off date (for physical verification as at the year end) and goods for which the documents are retired are included in goods in transit.
 f) Any Shortage/excess in Raw Material detected at the time of physical verification is included in consumption of goods.
 g) Purchases and inventories are valued at cost excluding eligible GST.
 h) Provision for obsolete inventories is reviewed periodically and provided for as per the assessment of management.

VIII

Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, which is generally the nominal value of the transaction unless the terms of the contract provide otherwise. Revenue is recognized net of rebates and discounts and excludes amounts collected on behalf of government such as goods and services taxes.

Sale of Goods

Revenue from sale of goods is recognized when the company has transferred to the buyer the significant risks and rewards of ownership of the goods and the company retains neither ownership nor effective control over the goods sold;

Services

Revenue from services are recognized as and when they are rendered based on agreements/arrangements with the respective parties and recognized excluding eligible GST (ITC).

Revenues from turnkey contracts, which are generally time bound fixed price contracts, are recognized over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. For AMC contracts, revenue is recognized on completion of specific periods or as specified as per terms of the contract with the customers.

Interest Income on Bonds will be recognised when it becomes reasonably certain that consideration amount will be realised.

IX

Government Grants

Government Grants are recognized when there is a reasonable assurance that the same will be received and all attaching conditions will be complied with. Grants related to specific expenses are recognised in profit or loss in the same period as the relevant expenses. Grants relating to depreciable assets are treated as deferred income which is recognized in the statement of profit and loss on a systematic and rational basis over the useful life of the asset in accordance with IND AS 20.

X

Transactions in Foreign currency

Foreign currency transactions are recorded at the exchange rate prevailing at the time of transaction. At the balance sheet date, all monetary assets and liabilities denominated in foreign currency are converted at exchange rate prevailing at the year end. Resultant loss/gain is charged to Statement of Profit and Loss. When the transaction is settled within the same accounting period as that in which it occurred, all the exchange difference is recognized in that period as per IND AS 21.

In case of forward foreign exchange contracts where an underlying asset or liability exists, the difference between the forward rate and the exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Exchange rate difference on such a contract are recognized in the statement of profit and loss account as on Balance sheet. Any profit or loss arising on cancellation or renewal of forward contract is recognized as income or expense in the year in which such cancellation or renewal is made.

XI

Employee Benefits

a) Short term employee benefits are recognized as an expense on accrual basis.

b) **Post Employment Benefits**

i) **Defined Contribution Plans:** The Company's state governed Provident Fund scheme, Employee State Insurance scheme etc are defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.

ii) **Defined Benefit Plans:** The Employees' Gratuity liability is covered under the qualifying Insurance policy of Life Insurance Corporation of India. The Company's liability is determined on the basis of an actuarial valuation using the projected unit credit method as at Balance Sheet date. Expenses are recognized in the Statement of Profit and Loss or other comprehensive income in the manner laid down in IND AS 19. In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognize the obligation on net basis in Balance Sheet.

c) **Other Long term Employee benefits:**

Accumulated compensated absences/Leave encashment –The Employees' Leave encashment liability is also covered under the qualifying Insurance policy of Life Insurance Corporation of India. The obligation for long term compensated absences/Leave encashment is recognized in the same manner as in the case of defined benefit plans as mentioned in XI (b) (ii) above.

Long Term service awards which are expected to be availed beyond 12 months from the end of the balance Sheet date, are treated as other long term employee benefits. The present value of the said liability determined on each Balance Sheet date for recognizing the same in the books of accounts. Liability towards Service awards due with in 12 months from the date of Balance Sheet is classified under head Short term Provisions.

XII Income Tax

Tax expense comprises of current and deferred tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period. Current tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (tax loss) for a period.

Deferred tax liabilities are the amounts of income taxes payable in future periods in respect of taxable temporary differences. Deferred tax assets are the amounts of income taxes recoverable in future periods in respect of: (a) deductible temporary differences; (b) the carry forward of unused tax losses; and (c) the carry forward of unused tax credits. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. In accordance with IND AS 12 "Income Taxes" the company reviews the carrying amount of a deferred tax asset at the end of each reporting period and reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilised. Any such reduction shall be reversed to the extent that it becomes probable that sufficient taxable profit will be available.

As the company has a history of recent losses, the company does not recognise deferred tax asset arising from MAT credit as there is no convincing evidence that sufficient taxable profit under the normal provisions of the Income Tax Act, 1961 within the period specified in said Act, will be available against which the unused tax losses or unused tax credits can be utilised by the company.

XIII Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) for the year after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit / (loss) for the year after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive potential equity shares.

XIV Provision, Contingent Liabilities and Contingent Assets

- a) A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.
- b) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that arises from past event but is not recognized because it is not probable that an outflow of resources will be required to settle the obligation or cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
- c) A Contingent Asset is not recognised, however it is disclosed where an inflow of economic benefit is probable as per IND AS 37

XV Classification of Current / Non Current Assets

All assets and liabilities are presented as Current or Non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to The Companies Act, 2013 and amendments thereon. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has assumed its operating cycle as 12 months for the purpose of Current / Non current classification of assets and liabilities.

XVI Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The company recognises a financial asset or a financial liability in its balance sheet when, and only when, it becomes a party to the contractual provisions of the instrument.

Classification: The company has classified Financial assets and Financial liabilities in accordance with definition contained in IND AS 32 Financial Instruments: Presentation

Measurement: Financial assets and financial liabilities which are material are measured at Fair value/Amortised cost (using the effective interest rate method) based on their nature and contractual arrangements entered into, in accordance with Ind AS 109, unless specified otherwise.

INDEPENDENT AUDITORS' REPORT

To

The Members,
Punjab Communications Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Punjab Communications Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We would like to draw the attention on the following matters:

The Company had invested a sum of Rs. 698.74 Lacs (Face Value Rs.700 Lacs) net of commission amounting to Rs.1.26 lacs in the Bonds of UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) for a tenure of 18 months, which was duly guaranteed by the UP State Government. The Company approached UPCSML for redemption of bonds on due date i.e. 20th December, 1999. Upon failure of UPCSML to redeem the bonds on due date, the Company invoked the aforesaid Government Guarantee through suit filed on 28th November, 2001 at Lower Court, Chandigarh against UPCSML & UP State Govt. for recovery of the aforesaid amount and the Hon'ble Lower Court passed decree in favor of the Company vide its order dated 30th January, 2004.

UP State through Special Secretary filed an application under Order 9 Rule 13 for setting aside the above said Decree being ex-parte on 2nd September 2004 and also applied for stay of execution at the Lower Court Chandigarh. Stay application of UP State was dismissed on 13th September 2004 and the application under 9/13 was kept pending.

UP State Govt. filed the Revision Petition, against the order of dismissal of stay by the lower court, at Hon'ble Punjab & Haryana High Court, Chandigarh. In order to admit their Revision Petition, the Court ordered UP State Govt. to deposit a sum of Rs.735.63 lacs (50% of the Decretal amount). The aforesaid sum of Rs.735.63 lacs was released to the Company against furnishing of Bank Guarantee of equivalent amount on 22nd April, 2006.

On 12th March 2010 the application filed by UP State under Order 9 Rule 13 was dismissed by the Lower Court Chandigarh. UP State filed an Appeal in the Court of Add. Dist. Judge Chandigarh and got the stay on 21st July 2010. The application of UP State for Stay got dismissed on 10th November, 2012.

UP State filed Civil Revision against the order of Distt. Judge Chandigarh at Punjab and Haryana High Court Chandigarh. The Civil Revision filed by UP State was dismissed by the Hon'ble Punjab and Haryana High Court on 20th September, 2013.

UP State Govt. filed appeal against the aforesaid order of the Hon'ble Punjab & Haryana High Court with the Hon'ble Supreme Court through SLP. The Hon'ble Supreme Court vide its order dated 19th January, 2015 directed the company to refund the aforesaid sum of Rs 735.63 Lacs to the UP-State Government. In compliance with the aforesaid orders of the Hon'ble Supreme Court, the company refunded Rs.735.63 Lacs by allowing the Hon'ble Court to invoke the Bank Guarantee of the equivalent amount submitted to the court earlier.

In view of the aforesaid order passed by Hon'ble Supreme Court maintaining that the UP State was not a party defended before the trial court, the company was constrained to file a fresh civil suit against the state of U.P at District Court Chandigarh as on 11th March 2016 for recovery of Rs 68,40,31,048/- in order to preserve its right of huge claim. Later on, after aforesaid invocation of the Bank guarantee of Rs 7,35,63,325/- the company filed a revised claim on 30th October 2018 to the tune of Rs.75,75,94,373/-(Rs 68,40,31,046/- plus Rs7,35,63,325/-) which is pending.

UPCSMFL, is presently under liquidation and the company has filed its claim with the Official Liquidator on 23rd May, 2016 at Kanpur and later, on account of invocation of Bank Guarantee, a revised claim was filed on 26th September 2018 to the tune of Rs. 1,10,75,01,023/- with interest as on 28th August, 2018 in order to maintain its valuable rights in future. The revised claim was sent through the authorized representative of the company

and was duly acknowledged by the officials of UPSCMFL. It was also sent through the Registered Post which has not been received back thus duly served.

In the light of the aforesaid orders of Hon'ble Supreme Court the decree is not maintainable against the State of U.P, therefore the Company filed a fresh execution application against the principal debtor i.e UPSCMFL at the Hon'ble Lucknow Court on 30th January, 2016 (as the Decree was issued against both the parties viz., UPSCMFL and the State of UP).

The company has reflected the value of investment in bonds at cost. Further, the principal amount of bond is fully guaranteed by the UP-State Government, but due to the protracted litigation the time of recovery is indeterminable. (Also Refer note 5 and 42(a) of Balance Sheet for the FY 20-21.

Emphasis of Matters

We would like to draw the attention on the following matters:

1. Accounting Policy 1(b): Regarding certain items of income and expenditure which have been accounted for as and when these are incurred, ascertained or settled. During the year under audit, no entries deviating from accrual basis of accounting were noticed.
2. As per the information and explanations given to us, the company has been selected for disinvestment by Cabinet Committee on Disinvestment, Government of Punjab. During the FY 2019-20, the Directorate of Public Enterprises and Disinvestment, Government of Punjab had appointed M/s Resurgent India Limited, Gurgaon (Haryana) as Transaction Advisor for Puncom Disinvestment. During financial year 2020-21, the Government of Punjab has closed the submission of "Expression of interest" (EOI) by eligible bidders on 1st February, 2021. Further as part of disinvestment, the company is under the process of Due Diligence activity to be conducted by shortlisted bidders.
3. Receivable & payable shown in the balance sheet which significantly consist of Trade receivable, trade payable, are subject to confirmation. (Refer note no 9 & 21 of notes to accounts of financial statements)

Our opinion is not modified on the matters mentioned at item (1) in Key Audit Matters and in item (1) to (3) in Emphasis of Matters here in above.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, "implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- In terms of GSR 463 dated 5th June, 2015 issued by MCA, the provisions of section 164(2) of Companies Act, 2013 regarding the disqualifications of Directors are not applicable to Government Company. Hence the same have not been reported by us.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its notes to financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

“ANNEXURE – B” TO THE INDEPENDENT AUDITORS’ REPORT

FINANCIAL YEAR 2020–21

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Punjab Communications Limited (“the Company”) as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provides reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provides reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal control stated in the guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF PUNJAB COMMUNICATIONS LIMITED FOR THE YEAR ENDED 31 MARCH 2021

The preparation of financial statements of the **Punjab Communications Limited** for the year ended 31 March 2021 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated **25 June 2021**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) of the Act of the financial statements of **Punjab Communications Limited** for the year ended 31 March 2021. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (a) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

1. GENERAL

A reference is invited to Note No. 43 regarding disclosure of fair value (FV) of the Investment properties of the company at 31 March 2021.

The Company has four investment properties in Mohali. However, during 2020-21 the FV of only one property (transferred/classified investment property during the year) has been measured. The FV of remaining three properties was not measured during the year and disclosed at the FV measurement of previous year 2019-20 in non observance of the provisions of Ind AS 40.

Management Reply to Auditors' Remarks

M/s Raj Gupta & Co, Chartered Accountants, was appointed as Statutory Auditors of the Company for the financial year 2020-21. Notes to accounts forming part of Annual Accounts are self-explanatory and exhaustive to the remarks of Auditors in their report dated 25th June, 2021.

1. The Company had invested a sum of Rs. 698.74 Lacs (Face Value Rs. 700 Lacs) net of commission amounting to Rs.1.26 lacs in the Bonds of UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) for a tenure of 18 months, which was duly guaranteed by the UP State Government. The Company approached UPCSML for redemption of bonds on due date i.e. 20th December, 1999. Upon failure of UPCSML to redeem the bonds on due date, the Company invoked the aforesaid Government Guarantee through suit filed on 28th November, 2001 at Lower Court, Chandigarh against UPCSML & UP State Govt. for recovery of the aforesaid amount and the Hon'ble Lower Court passed decree in favour of the Company vide its order dated 30th January, 2004.

UP State through Special Secretary filed an application under Order 9 Rule 13 for setting aside the above said Decree being ex parte on 2nd September 2004 and also applied for stay of execution at the Lower Court Chandigarh. Stay application of UP State was dismissed on 13th September 2004 and the application under 9/13 was kept pending.

UP State Govt, filed the Revision Petition, against the order of dismissal of stay by the lower court, at Hon'ble Punjab & Haryana High Court, Chandigarh. In order to admit their Revision Petition, the Court ordered UP State Govt. to deposit a sum of Rs.735.63 lacs (50% of the Decretal amount). The aforesaid sum of Rs.735.63 lacs was released to the Company against furnishing of Bank Guarantee of equivalent amount on 22nd April, 2006. On 12th March, 2010 the application filed by UP State under Order 9 Rule 13 was dismissed by the Lower Court Chandigarh. UP State filed an Appeal in the Court of Add. Dist. Judge Chandigarh and got the stay on 21st July, 2010. The application of UP State for Stay got dismissed on 10th November, 2012. UP State filed Civil Revision against the order of Distt. Judge Chandigarh at Punjab and Haryana High Court Chandigarh. The Civil Revision filed by UP State was dismissed by the Hon'ble Punjab and Haryana High Court on 20th September, 2013. UP State Govt. filed appeal against the aforesaid order of the Hon'ble Punjab & Haryana High Court with the Hon'ble Supreme Court through SLP. The Hon'ble Supreme Court vide its order dated 19th January, 2015 directed the company to refund the aforesaid sum of Rs 735.63 Lacs to the UP State Government. In compliance with the aforesaid orders of the Hon'ble Supreme Court, the company refunded Rs. 735.63 Lacs by allowing the Hon'ble Court to invoke the Bank Guarantee of the equivalent amount submitted to the court earlier.

In view of the aforesaid order passed by Hon'ble Supreme Court maintaining that the UP State was not a party defended before the trial court, the company was constrained to file a fresh civil suit against the State of U.P at District Court Chandigarh as on 11th March 2016 for recovery of Rs 68,40,31,048/- in order to preserve its right of huge claim. Later on, after aforesaid invocation of the Bank guarantee of Rs 7,35,63,325/- the company filed a revised claim on 30th October 2018 to the tune of Rs.75,75,94,373/- (Rs 68,40,31,046/- plus Rs 7,35,63,325/-) which is pending. UPCSML, is presently under liquidation and the company has filed it's claim with the Official Liquidator on 23rd May, 2016 at Kanpur and later, on account of invocation of Bank Guarantee, a revised claim was filed on 26th September 2018 to the tune of Rs. 1,10,75,01,023/- with interest as on 28th August, 2018 in order to maintain its valuable rights in future. The revised claim was sent through the authorised representative of the company and was duly acknowledged by the officials of UPCSML. It was also sent through the Registered Post which has not been received back thus duly served.

In the light of the aforesaid orders of Hon'ble Supreme Court, the decree is not maintainable against the State of U.P, therefore, the Company filed a fresh execution application against the principal debtor i.e UPCSML at the Hon'ble Lucknow Court on 30th January, 2016 (as the Decree was issued against both the parties viz., UPCSML and the State of UP)

The company has reflected the value of investment in bonds at cost. Further, the principal amount of bond is fully guaranteed by the UP State Government, but due to the protracted litigation the time of recovery is

indeterminable. [Also Refer note 3, 5 and 42(a)] [Refer Key Audit Matters Para of Independent Auditor's Report]

2. Regarding accounting of certain items of income and expenditure as and when they have been incurred, ascertained or settled, the same have been accounted for as per disclosures made in Note 1 Significant Accounting Policies Point I(b) being followed consistently. [Refer Emphasis of matter Para (i) of Independent Auditor's Report]
3. The company has been selected for disinvestment by Cabinet Committee on Disinvestment, Government of Punjab. During the FY 2019-20, the Directorate of Public Enterprises and Disinvestment, Government of Punjab had appointed M/s Resurgent India Limited, Gurgaon (Haryana) as Transaction Advisor for Puncom Disinvestment. During FY 20-21, the Government of Punjab has closed the submission of "Expression of Interest" (EOI) by eligible bidders on 1st February, 2021 vide Corrigendum-5. Further, as part of the disinvestment, our company was under the process of due diligence activity by shortlisted bidders. For this purpose, DPED has approved the site visit from the period 21/06/2021 onwards uptill 12/07/2021 i.e. within a three week period to carry out the due diligence. Accordingly, shortlisted bidders conducted the due diligence activity during this given period. [Refer Emphasis of matter Para (ii) of Independent Auditor's Report]
4. Regarding the matter of balance confirmations w.r.t to Note 9 & 21 of financial statements, the company has sent balance confirmation letter to all parties requesting them to confirm the balances within 15 days of the receipt of the letter, falling which the balance will be presumed to be correct. The company has no other means of confirming the balances for which no response has been received except presuming them to be correct as per terms of letter. [Refer Emphasis of matter Para (iii) of Independent Auditor's Report]

Management reply to Secretarial Auditors' Remarks

The Secretarial Audit for Financial Year 2020-21 was carried out by Mr. Vishal Arora, Practicing Company Secretary and he has reported in his secretarial audit report i.e. MR-3 that the company is yet to file forms IEPF-1A regarding the details of the unpaid dividend transferred to Investor Education and Protection Fund as per Rule 4A of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016. The Auditor has also reported that the company is withholding the gratuity amount over and above Rs. 10.00 Lakhs, wherever the same is exceeding, pursuant to the directions of Department of Finance, Government of Punjab dated 13.09.2019 and the approval of the Board of Directors in meeting dated 20.11.2019.

- a) Regarding form IEPF-1A: Your Company has paid the last dividend to its shareholders for FY 2001-02, since then no dividend is recommended by the Board of Directors of the Company. However, the unclaimed dividend amount pertaining to FY 2001-02 was duly transferred to IEPF Authority after being remain unclaimed for period of seven years and requisite filing relating to it was also submitted to Registrar of Companies in PDF mode in year 2009-2010. Now pursuant to recent notification in IEPF Rules, the filing already made is required to be submitted again in Excel template. The information/data being quite old and voluminous in nature, the company is in the process of compiling the same.
- b) Regarding withholding the gratuity amount over and above Rs. 10.00 Lakhs: As advised by Board, a letter was written to Department of Finance to review the matter and till that time it was decided to withhold payment of Gratuity above Rs. 10 lacs, if any. The reply from DoF is still awaited as on the date of this report.

State of the Company's Affairs

The business and economy in the country has taken a big hit because of COVID19 pandemic. As a result very few business opportunities were available in the market. Very few tenders for telecom equipment were floated by the

customers like Indian Railways, State Power Corporations etc. due to lacks of funds and minimal future project planning in these departments. Only absolute essential and urgent telecom projects/ works were planned for which tenders were floated by these organisations. Due to lack of business in the market, lot of private parties/ contractors participated against such tenders very aggressively with the aim to pick up the business at any cost, with very low margins. This resulted in a very unhealthy and dubious business environment. Nevertheless, Puncom did not fall trap to such conditions and with a change in strategy targeted private parties/ contractors to pick up the business for supply of V-Mux, Power Plant and PLCC equipment. With this strategy Puncom could get its payments upfront and it helped during this period of financial crunch in the market. Despite depressing market conditions, Puncom could manage to get some business for its existing products. Diversifying into new telecom areas through product developments and tie-ups is the need of the hour as market for existing products is shrinking. It is hoped that the business condition improves after the pandemic is over and financial environment looks up in the country in coming years.

Corporate Plan/ Market Scenario of our products

Puncom has made efforts to increase market share of its PLCC products during last two years. But the requirement of PLCC is declining in power sector as the network is being replaced with the installation of OPGW network based on SDH backbone. Puncom made efforts to bid for PDH tenders from power sector through tie-up with established SDH manufacturers as well as to increase market share of V-Mux in Railways in last two years but due to COVID pandemic very less tenders are coming from the railways.

Puncom is executing OFC and PLCC turnkey projects for railways and power sector. Puncom has extensive strengths to execute indoor OFC works. However, since most of the railway tenders now are being floated after clubbing both indoor and outdoor OFC works, Puncom is making efforts to strengthen its resources for executing such works as well. This would help Puncom in improving its market share in Railways besides sales turnover. Due to subdued requirement because of COVID-19, in the last year railways and power sector has come up with very few tenders for PDH, power plants and PLCC therefore Puncom received few orders for these products.

Covid-19 and the resultant lockdowns have caused a severe setback to the industrial climate and Indian economy outlook, and the after effects are likely to remain for some time. Puncom too has not escaped the setback and with the post lockdown restrictions still in place, is slowly returning to pre-Covid levels of activity.

To further increase the market share of its products in railway and power sector networks, Puncom is offering its products to other equipment installers for executing their turnkey projects. This helps in improving sales turnover and also increases the presence of Puncom make equipment in these networks.

Puncom is also undertaking annual maintenance/repair contracts for PLCC, V-Mux and Power Plants from various customers. Undertaking such value added services not only contributes towards sales turnover but also helps in strengthening the performance of Puncom equipment in various networks of Railways, power sector etc.

Puncom is making continuous efforts to add new products to increase its product mix by way of tie-ups with other companies and through in house re-engineering of existing products and new developments. In this direction Puncom has developed another product called Control communication equipment for OFC (CCEO) and have successfully executed its first order in last financial year after getting the type approval. In the coming years it will contribute in improving sales turnover. Puncom is also looking for opportunities to provide services through tie-up with other companies involving installation, erection and commissioning work.

Telecom Scenario in India and Puncom approach

India has seen an exponential growth of telecom network in India for several years and now has more or less universal broadband penetration. Liberal government policies and fierce competition between operators has ensured that India receives latest and best equipment and technologies from MNCs at lowest prices. Additionally, digital revolution and APP based smart technologies have ensured that high speed network availability to one and all is a more or less mandatory requirement for most day to day activities.

Large scale upgrade of main telecom network and IT is also changing the work environment and catalysing other segments like power, railways, defence, government, agriculture, security, education etc to upgrade their networks and work processes and are generating new business opportunities. New areas of network and information security, renewable energy, green and clean technologies, information access and automation etc are becoming increasingly important and are emerging as new growth segments. The government plans for setting up digital villages by making huge investment. The main objective of digital villages is to transform rural villages of India into smart villages through use of ICT applications. This will create employment opportunities for rural people by way of promoting the IT/ITeS industry and generate new business opportunities for telecom equipment manufacturers.

Historically, Puncom has been deriving its revenue mainly from Power, Railway and BSNL segments. Unfolding telecom and industrial scenario however foresees increased role of new revenue streams from emerging growth segments. Puncom is monitoring these emerging trends and is on lookout for appropriate opportunities for sustenance and growth and preparing itself to meet the emerging challenges in the changing environment. However, the growth in the telecom equipment manufacturing sector is grim except for mobile hand set manufacturing industry.

Reserves

Due to losses in the current year, no amount was carried over to Reserves and Surplus. Instead, the reserves have been utilized to the extent of Rs. 1114.09 lacs.

Dividend

Due to losses in the current year, the Board of Directors of your Company has not recommended any dividend for the Financial Year 2020-21.

Material changes and Commitments after the close of the financial year

The particulars with respect to material changes and commitments affecting the financial position of the company which have occurred between the end of the financial year i.e. 31st March, 2021 till the date of this report i.e. 12th August, 2021 under Section 134(3)(l) of the Companies Act, 2013 are: **NIL**.

Disclosure related to the impact of global health pandemic COVID-19 on financial statements:

COVID-19 pandemic has rapidly spread throughout the world, including India. Governments in India have taken significant measures to curb the spread of the virus including imposing mandatory lockdowns and restrictions in activities which have adversely impacted the company's operations in terms of customer demand, supply chain matters, reduced travelling to project sites having pan-India spread, resulting in delays in project completion and recovery from customers.

However, as the major customers of the company are Government departments like Railways and State Power Corporations, therefore no permanent impairment of debtors is estimated and the company expects to recover the carrying amount of these assets in due course.

Overall operational and financial performance will depend on future developments, including the duration, spread and intensity of the pandemic, all of which are uncertain and difficult to predict considering the rapidly increasing spread of virus. As a result, it is not currently possible to ascertain the overall impact of COVID-19 on the Company's business. However, if the pandemic continues to evolve into a severe worldwide health crisis, the disease can have adverse effects on the company's business, results of operations, financial condition and cash flows.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

Punjab Communications Limited (Puncom), a premier Telecom and IT company was incorporated in the year 1981 by the Punjab Govt. for giving fillip to the Electronics and Telecommunication industry in the region. The company passed through a very good phase from 1981 to 1993, and came up with a public issue in October, 1994. Despite high premium, the issue was heavily oversubscribed. The company achieved a record Turnover of Rs.157cr. during the year 2001-2002, when its net worth was Rs.181 cr.

Thereafter the turnover of the company was adversely affected due to industry wide shift from landline based narrowband communication to wireless and broadband. Realising this, the company made attempts to broaden its customer and product base through tie-ups with foreign companies including Huawei Technologies of China for supply of DWDM equipment. Simultaneously, for improving bottom line, the company went about developing its core markets of railways and power sector with own products. The company has developed a new system for railways for communication between control office and way stations and have successfully executed its first order in last financial year after getting the type approval. The company is on lookout for additional partners for new products and services for new markets.

OPPORTUNITIES AND THREATS**Opportunities**

- Continuing growth rate in mobile and broadband networks and its deeper penetration into rural and other tertiary areas continues to provide business opportunities in telecom segment.
- Growth of telecom and IT is prompting related growth in niche markets of power, railways, defence, government etc. for telecom and IT equipment.
- Newer areas of security, New & Renewable energy, Digital India, Digital villages, Smart cities, Green and clean technologies, etc, provide new business opportunities to penetrate/invest into new segments.
- India, with its vast and vibrant economy and deeper integration with global markets, is moving up the value chain and is in the process throwing up large requirements of cost optimized high tech products in telecom and IT domains. This is providing new opportunities and markets for domestic industry.
- Being a PSU, Puncom is also exploring potential business from government in emerging areas.

Threats

- Continuously evolving market place increases product churn and reduces timelines. This increases business risks and puts pressure on companies to continuously innovate and explore investments into new markets and products.
- Fast changing technologies
- Policy framework and a perceived purchaser bias in India results in skewed playing field in favour of MNCs which Indian telecom manufacturers find difficult to match.
- Continuing uncertainty of disinvestment and other issues is affecting morale and operational difficulties in the functioning of the company

Segment Reporting

Puncom is engaged in the business of manufacturing of telecom products and these activities are covered by same set of risk and returns. Sales have been grouped as single segment in the accounts as per Ind AS 108- Operating Segments as issued by Ministry of Corporate Affairs.

OUTLOOK

Industrial Outlook

Over the years, The Indian telecommunication sector has seen a radical shift from being a mere carrier of voice and data traffic between users, to being an instrument delivering newer e-based services to Indian population. On the back of ongoing investments flowing into infrastructure through nationwide programmes like Digital India, digital empowerment and e-service delivery, mobile banking and e-commerce etc, the country is projected to witness extensive penetration of Internet, broadband, and mobile subscribers and IT based digital services into deepest corners of India.

Government of India has progressively improved business and manufacturing climate in the country with reforms such as improved ease of doing business, streamlining controls, taxation, increasing FDI limits in most business segments, increased public private participation and so on. This, together with India being among the largest and fastest growing markets of the world, has ensured that most MNCs and domestic companies are making aggressive plans to set up bases in India.

Rapid expansion and availability of telecom and IT networks in the country has also increased demand for telecom, IT and all kinds of equipment and services from related segments like power, transport, education, defence etc for increased automation, safety & security, connectivity etc. In addition government's increasing focus on green technologies like solar, LEDs, is altering the power space in a major way.

Covid-19 and repeated lockdowns has caused a severe set back with long lasting impact to the industrial climate and Indian economy outlook, and the after effects are likely to remain for sometime. Puncom too has not escaped the setback and with the post lockdown restrictions still in place, is slowly returning to pre-Covid levels of activity. But this may result into irreparable dent into the growth of the company.

It is possible that Covid shall bring about subtle changes in the way industries operate as well as in the way they manage their business environment for the near future to mitigate the ill-effects of virus. The future of the industry however continues to remain in broadband and mobile finding yet newer applications and constant technological innovations in most sectors of Industry and society. Over the past few months, the COVID-19 pandemic has upended many lives and business on an unprecedented scale. However, Covid is a boon to IT sector with flexibility of work from home, online classes, video conferencing and corporate sector switching its operations to digital mode.

Major national projects and market segments where demand is expected to grow include:

- Make in India programs for all business segments especially railways, defence, power, telecom, networking, health, security, automation, especially in view of Prime Minister's call for Self-Reliance
- Digital India, DigiGaons and related services
- Renewable and clean energy technologies.
- E-Commerce and e-governance.
- Smart cities, smart grid and smart metering
- Wireless broadband and cloud
- Network and Information Security.
- Water management and agriculture
- Automation using IoT
- EV and EV charging infrastructure

Business Outlook

Puncom has a diversified customer base. Though equipment manufacturing has accounted for a major portion of its sales, service sector including turnkey projects for railways and power sector have contributed significantly towards revenues and bottom line. Puncom is however aware of the emerging significance of service sector and increasing penetration of smart networking and IT applications in all segments of society. Accordingly it is strengthening its value added service activities like turnkey projects, and customer support etc. It is also actively looking at new emerging service sectors for smart application technologies and looking for business opportunities.

RISKS AND CONCERNS

- Products manufactured by Puncom are in its last stage/fag end of their commercial viability.
- Old designs of products and component obsolesce making manufacturing difficult.
- Uncertainty in business during & post COVID period
- Puncom operates in a highly competitive high-tech segment. However, being a PSU, it is not able to employ the level of flexibility in business operations as enjoyed by its competitors from private sector.
- Better career opportunities in private segment has resulted in continued attrition of its technical manpower and depleted company's strength to meet competition.
- The company is exposed to many interferences/ disclosures like information under RTI, a restricted work environment subject to lot of audits etc. This hampers the overall growth and productivity of the organization.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Puncom has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported correctly.

The company has an extensive system of internal controls which ensures optimal utilization and protection of resources, IT security, accurate reporting of financial transaction and compliance with applicable laws and regulations as also internal policies and procedures.

The internal control system is supplemented by extensive internal audits, regular reviews by management and well documented policies and guidelines to ensure reliability of financial and all other records to prepare financial statements and other data.

The Company has also formed the various committees for effective disposal of scrap and waste. Disposal of scrap when handled in an imaginative manner can result in handsome returns to the company. Therefore, the puncom ensures the involvement of employees of the company in this process as they are naturally the best people to suggest improvements in materials, processes and new end users for scrap. Puncom believes that it is they who can minimize the accumulation of scrap through coordination. Being in telecom sector, Puncom is motivated towards e-waste management through coordinated efforts with various authorised agencies.

The company has also taken tasks of planting trees and maintaining lawns to make the factory dust free. Being an electronic industry, though it does not emit any air, water or noise pollutants yet the company is committed to make the environment healthy and pollution free. Even steps have been taken to control noise pollution by putting canopy on power generator.

COVID Pandemic Management

Various advisories to adopt appropriate covid-19 behaviour for employees were issued from time to time in line with the government guidelines and Internal Committee was formed to monitor the implementation of the above said guidelines. With the reduction of Covid positive cases in the state of Punjab and to comply the guidelines of the government, working with full strength was restored in PUNCOM with staggered working hours.

Again with the increase in the covid positive case in the state of Punjab during the second wave, PUNCOM started working with 50% employees from 03.05.2021 to 31.05.2021 while other 50% were working from home in line with the Govt. Guidelines.

In the meanwhile Puncom took an initiative to vaccinate their employees and their family members. Accordingly the vaccination camp was organised in the premises of Puncom in the month of April, 2021 for 1st dose of vaccination and in the month of May, 2021 for 2nd dose of vaccination wherein 150 employees and their family members were vaccinated. Both the above camps were organised with the support of Government Hospital, Phase VI, Mohali. We acknowledge the senior officials of Punjab Government who seeded our request for organising the said camp and extended their support by deputing the team of doctors and other health workers for this purpose. We also acknowledge the whole hearted support by the team of doctors and other health workers who successfully administered the doses of vaccination.

The employees who were found covid-19 positive were given quarantine leave for 17 days as per govt guidelines. Also in case of any family member of an employee was found covid-19 positive, that employee was given "work from home" for 17 days. This benefit was given as per government notification(s). The whole purpose of the same was to avoid any reasonably asymptomatic employee to come in contact with other healthy employees.

Unfortunately, there were two employees who died due to covid. Puncom express its sincere sympathy to the grieved family and may God give the strength to the family to accept the loss.

Industrial Relations

Puncom firmly believes in the power of esprit de corpse and thus, provides its employees with congenial atmosphere to work as a cohesive team. The efforts of all the employees are synchronized and coordinated towards achieving common objectives. Further all employees are encouraged to participate in the decision making process. During the year 2020-21, the employee management relations remained cordial and positive.

Significant changes in Key Ratios

There is an increase of 26.16% in Inventory turnover ratio due to decrease in inventory of current year as compared to previous year. The decreasing ratio of operating profit margin by 33.97% is due decreased turnover of the company.

Change in Net Worth

During the year, there is a decrease of 11.40% in return on net worth for the financial year 2020-21, due to decrease in net worth on account of consistent losses over past year and also in current year.

Disclosure of Accounting Treatment:

The Company has prepared financial statements in accordance with applicable Indian Accounting Standards. Further, there is no qualification in Independent Auditor's Report. The disclosure w.r.t Auditor's opinion and matter emphasized in Independent Auditor's Report is detailed in the Board's Report and the same has been done as per the past practice.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Punjab Communications Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Punjab Communications Limited (hereinafter called as the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **PUNJAB COMMUNICATIONS LIMITED'S** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **PUNJAB COMMUNICATIONS LIMITED** ("the Company") for the financial year ended on 31st March, 2021 according to the provisions of:
