* The Company had invested a sum of Rs. 698.74 Lacs (Face Value Rs. 700 Lacs) net of commission amounting to Rs.1.26 lacs in the Bonds of UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) for a tenure of 18 months, which was duly guaranteed by the UP State Government. The Company approached UPCSMFL for redemption of bonds on due date i.e 20th December, 1999. Upon failure of UPCSMFL to redeem the bonds on due date, the Company invoked the aforesaid Government Guarantee through suit filed on 28th November, 2001 at Lower Court, Chandigarh against UPCSMFL & UP State Govt. for recovery of the aforesaid amount and the Hon'ble Lower Court passed decree in favour of the Company vide its order dated 30th January, 2004.

UP State through Special Secretary filed an application under Order 9 Rule 13 for setting aside the above said Decree being ex parte on 2nd September 2004 and also applied for stay of execution at the Lower Court Chandigarh. Stay application of UP State was dismissed on 13th September 2004 and the application under 9/13 was kept pending.

UP State Govt, filed the Revision Petition, against the order of dismissal of stay by the lower court, at Hon'ble Punjab & Haryana High Court, Chandigarh. In order to admit their Revision Petition, the Court ordered UP State Govt. to deposit a sum of Rs.735.63 lacs (50% of the Decretal amount). The aforesaid sum of Rs.735.63 lacs was released to the Company against furnishing of Bank Guarantee of equivalent amount on 22nd April, 2006.

On 12th March 2010 the application filed by UP State under Order 9 Rule 13 was dismissed by the Lower Court Chandigarh. UP State filed an Appeal in the Court of Add. Dist. Judge Chandigarh and got the stay on 21st July, 2010. The application of UP State for Stay got dismissed on 10th November, 2012. UP State filed Civil Revision against the order of Distt. Judge Chandigarh at Punjab and Haryana High Court Chandigarh. The Civil Revision filed by UP State was dismissed by the Hon'ble Punjab and Haryana High Court on 20th September, 2013.

UP State Govt. filed appeal against the aforesaid order of the Hon'ble Punjab & Haryana High Court with the Hon'ble Supreme Court through SLP. The Hon'ble Supreme Court vide it's order dated 19th January, 2015 directed the company to refund the aforesaid sum of Rs 735.63 Lacs to the UP State Government. In compliance with the aforesaid orders of the Hon'ble Supreme Court, the company refunded Rs. 735.63 Lacs by allowing the Hon'ble Court to invoke the Bank Guarantee of the equivalent amount submitted to the court earlier.

In view of the aforesaid order passed by Hon'ble Supreme Court maintaining that the UP State was not a party defended before the trial court, the company was constrained to file a fresh civil suit against the State of U.P at District Court Chandigarh as on 11th March 2016 for recovery of Rs 68,40,31,048/- in order to preserve its right of huge claim. Later on, after aforesaid invocation of the Bank guarantee of Rs 7,35,63,325/- the company filed a revised claim on 30th October 2018 to the tune of Rs.75,75,94,373/- (Rs 68,40,31,046/- plus Rs 7,35,63,325/-) which is pending. UPCSMFL, is presently under liquidation and the company has filed it's claim with the Official Liquidator on 23rd May, 2016 at Kanpur and later, on account of invocation of Bank Guarantee, a revised claim was filed on 26th September 2018 to the tune of Rs. 1,10,75,01,023/- with interest as on 28th August, 2018 in order to maintain its valuable rights in future. The revised claim was sent through the authorised representative of the company and was duly acknowledged by the officials of UPCSMFL. It was also sent through the Registered Post which has not been received back thus duly served.

In the light of the aforesaid orders of Hon'ble Supreme Court, the decree is not maintainable against the State of U.P, therefore, the Company filed a fresh execution application against the principal debtor i.e UPCSMFL at the Hon'ble Lucknow Court on 30th January, 2016 (as the Decree was issued against both the parties viz., UPCSMFL and the State of UP).

Meanwhile, the Board of Directors of the company discussed that pursuant of Supreme Court Order, the litigation in this case is a prolonged one and it was decided that besides the ongoing litigation which the company may carry on, efforts need to be made to settle this case out of the Court at Government Level. Accordingly DO Letters were sent to Chief Secretary State of Uttar Pradesh and to the Secretary, Inter State Council. After a few correspondence through DO Letters at Chief Secretary Level and at Inter State Council Level, the company received communication from UPCSMFL and after necessary formalities, a meeting was conducted between Chairman and MD PUNCOM with the Additional Chief Secretary, State of Uttar Pradesh and the MD UPCSMFL through Video Conferencing as a result of which the State of Uttar Pradesh offered a One Time Settlement Scheme (OTS), whereby they offered an interest @ 4.50% along with the Principle of Rs. 7 Crore. The said proposal of OTS offered by the State of Uttar Pradesh was placed in the Board Meeting of the company held on 12th November 2021, whereby it was suggested that an effort may be made to improve the offer by requesting UPCSMFL to give rate equivalent to borrowings of the company which is in the range of 6% to 7%. Accordingly a Counter Offer was sent to State of Uttar Pradesh as well as to the MD, UPCSMFL which was rejected later. Thereafter, the proposal was sent to Department of Finance, DPED, Govt of Punjab for its concurrence for accepting the OTS offer. Later, the Core Group of Officers on Disinvestment (CGOD) in its meeting called by DPED, decided to place the matter before the Council of Ministers, Government of Punjab, for its final approval and is pending as on date.

The company has reflected the value of investment in bonds at cost. Further, the principal amount of bond is fully guaranteed by the UP State Government, but due to the protracted litigation the time of recovery is indeterminable. [Also Refer note 5 and 41(a)]

The following methods / assumptions were used to estimate the fair values:

- The Company has reflected the value of the investment in Bonds at Cost as the same has been decreed in favour of the company and fully guaranteed by the UP State Government but due to protracted litigation the time of recovery is indeterminable.
- Loans and advances include loans to employees on which the Company charges interest at the rate 10 percent p.a, therefore their carrying values are not expected to be significantly different from their fair values. Further, Security deposits (interest-free) lying with government departments agencies and other parties have been shown at its carrying value due to non determination of any fixed period with regard to receipts against such security deposits.
- The fair values of other financial assets are assessed by the management to be same as their carrying value and is not expected to be significantly different if estimated by using Present value techniques.
- The carrying value of these financial assets and financial liabilities approximate their fair value mainly due to the short-term maturities (I.e within 1 year) of these instruments.
- The Company has used Level-3 inputs from Fair value hierarchy (key input: interest rate applicable to loans and advances to employees i.e 10 percent p.a) for measurement of Loans & advances to employees (Festival advance) at Fair value through Profit & loss using Present value technique (effective interest rate method)
- The Company has used Level-3 of fair value hierarchy and used Present Value Technique to measure the fair value of security deposits wherein part of deposits recognized in the future cash flows are classified under deferred income which has been further divided into Current & Non-Current. The discount rate used by the company is 9 percent per annum.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

III Property, Plant and Equipment (PPE) & Investment property

Investment properties are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

"The items of Property Plant & equipment are measured at Cost less any accumulated depreciation and any accumulated impairment losses. The cost of an item of property, plant and equipment comprises":

- (a) its purchase price, including import duties and non –refundable purchase taxes, after deducting trade discounts and rebates.
- (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) the initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, the obligation for which an enterprise incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment measured as per the previous GAAP and use that carrying value as the cost of the Property, Plant and Equipment.

Non Current Asset held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets are not depreciated or amortised while they are classified as held for sale.

Depreciation

The estimated useful lives of assets are as mentioned below:

Asset Class	Period (Years)

The Members,

We have audited the Standalone Financial Statements of Punjab Communications Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity, and statement of Cash Flows for the year then ended, and Notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its loss, total comprehensive income and changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of Ind AS Standalone financial statements of the current period. These matters were addressed in the context of our audit of Ind AS Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We would like to draw the attention to the following matter:

The Company had invested a sum of Rs. 698.74 Lacs (Face Value Rs.700 Lacs) net of commission amounting to Rs.1.26 lacs in the Bonds of UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) for a tenure of 18 months, which was duly guaranteed by the UP-State Government. The Company approached UPCSML for the redemption of bonds on the due date i.e., 20th December 1999. Upon failure of UPCSML to redeem the bonds on the due date, the Company invoked the aforesaid Government Guarantee through a suit filed on 28th November, 2001 at Lower Court, Chandigarh against UPCSML & UP State Govt. for recovery of the aforesaid amount and the Hon'ble Lower Court passed a decree in favor of the Company vide its order dated 30th January 2004.

UP State through Special Secretary filed an application under Order 9 Rule 13 for setting aside the above said Decree being ex parte on 2nd September 2004 and also applied for a stay of execution at the Lower Court Chandigarh. Stay application of UP State was dismissed on 13th September 2004 and the application under 9/13 was kept pending.

UP State Govt, filed the Revision Petition, against the order of dismissal of stay by the lower court, at Hon'ble Punjab & Haryana High Court, Chandigarh. In order to admit their Revision Petition, the Court ordered UP State Govt. to deposit a sum of Rs.735.63 lacs (50% of the Decretal amount). The aforesaid sum of Rs.735.63 lacs was released to the Company against furnishing of Bank Guarantee of equivalent amount on 22nd April 2006.

On 12th March 2010, the application filed by UP State under Order 9 Rule 13 was dismissed by the Lower Court Chandigarh. UP State filed an appeal in the Court of Add. Dist. Judge Chandigarh and got the stay on 21st July 2010. The application of UP State for Stay got dismissed on 10th November 2012.

UP State filed Civil Revision against the order of Distt. Judge Chandigarh at Punjab and Haryana High Court Chandigarh. The Civil Revision filed by UP State was dismissed by the Hon'ble Punjab and Haryana High Court on 20th September 2013. UP State Govt. filed an appeal against the aforesaid order of the Hon'ble Punjab & Haryana High Court with the Hon'ble Supreme Court through SLP. The Hon'ble Supreme Court vide its order dated 19th January 2015 directed the company to refund the aforesaid sum of Rs. 735.63 Lacs to the UP-State Government. In compliance with the aforesaid orders of the Hon'ble Supreme Court, the company refunded Rs.735.63 Lacs by allowing the Hon'ble Court to invoke the Bank Guarantee of the equivalent amount submitted to the court earlier.

In view of the aforesaid order passed by the Hon'ble Supreme Court maintaining that the UP State was not a party defended before the trial court, the company was constrained to file a fresh civil suit against the state of U.P at District Court Chandigarh on 11th March 2016 for recovery of Rs 68,40,31,048/- in order to preserve its right of huge claim. Later on, after the aforesaid invocation of the Bank guarantee of Rs 7,35,63,325/- the company filed a revised claim on 30th October 2018 to the tune of Rs.75,75,94,373/-(Rs 68,40,31,046/- plus Rs 7,35,63,325/-) which is pending.

UPCSMFL is presently under liquidation and the company has filed its claim with the Official Liquidator on 23rd May 2016 at Kanpur later, on account of invocation of Bank Guarantee, a Revised claim was filed on 26th September 2018 to the tune of

Rs. 1,10,75,01,023/- with interest as on 28th August 2018 in order to maintain its valuable rights in the future.

The revised claim was sent through the authorized representative of the company and was duly acknowledged by the officials of UPSCMFL. It was also sent through the Registered Post which has not been received back thus duly served.

In the light of the aforesaid orders of the Hon'ble Supreme Court, the decree is not maintainable against the State of U.P, therefore the Company filed a fresh execution application against the principal debtor i.e UPSCMFL at the Hon'ble Lucknow Court on 30th January 2016 (as the Decree was issued against both the parties viz., UPSCMFL and the State of UP)

Meanwhile, the Board of Directors of the company discussed that pursuant to Supreme Court Order, the litigation, in this case, is a prolonged one and it was decided that besides the ongoing litigation which the company may carry on, efforts need to be made to settle this case out of the Court at Government Level. Accordingly, DO Letters were sent to the Chief Secretary of State of Uttar Pradesh and to the Secretary, Inter-State Council. After a few correspondences through DO Letters at Chief Secretary Level and at Inter-State Council Level, the company received communication from UPSCMFL and after necessary formalities, a meeting was conducted between Chairman and MD PUNCOM with the Additional Chief Secretary, State of Uttar Pradesh and the MD UPSCMFL through Video Conferencing as a result of which the State of Uttar Pradesh offered a One Time Settlement Scheme (OTS), whereby they offered an interest @ 4.50% along with the Principle of Rs. 7 Crore. The said proposal of OTS offered by the State of Uttar Pradesh was placed in the Board Meeting of the company held on 12th November 2021, whereby it was suggested that an effort may be made to improve the offer by requesting UPSCMFL to give a rate equivalent to borrowings of the company which is in the range of 6% to 7%. Accordingly, a Counter Offer was sent to the State of Uttar Pradesh as well as to the MD, UPSCMFL which was rejected later. Therefore, the proposal was sent to Department of Finance, DPED, Govt. of Punjab for its concurrence for opting the OTS offer. Later, the Core Group of officers on Disinvestment (CGOD) in its meeting called by DPED, decided to place the matter before the Council of Ministers, Government of Punjab, for its final approval and is pending as on date.

The company has reflected the value of the investment in bonds at cost. Further, the principal amount of the bond is fully guaranteed by the UP-State Government, but due to the protracted litigation, the time of recovery is indeterminable. (Also refer to note 5 and 41(a) of the Financial Statements for the FY 22-23.

Emphasis of Matters

We would like to draw the attention to the following matters:

1. Accounting Policy 1(b): Regarding certain items of income and expenditure which have been accounted for as and when these are incurred, ascertained, or settled. During the year under audit, no entries deviating from the accrual basis of accounting were noticed.

During the FY 2019-20, the Directorate of Public Enterprises and Disinvestment, Government of Punjab had appointed M/s Resurgent India Limited, Gurgaon (Haryana) as Transaction Advisor for Puncom Disinvestment. During the financial year 2020-21, the Government of Punjab has closed the submission of "Expression of interest" (EOI) by eligible bidders on 1st February 2021. Further, as part of the disinvestment, the company was in the process of Due Diligence activity. For this purpose, DPED had approved the site visit from the period 21/06/2021 onwards till 12/07/2021 i.e. within a three-week period to carry out the due diligence. Accordingly, due diligence was conducted during the given period. As informed Subsequent to the site visit, certain queries were raised to Puncom, which were addressed. Further, during FY 2022-23, the services of Transaction Advisor, M/s Resurgent India Limited have been dispensed with by the Directorate of Public Enterprises and Disinvestment, Government of Punjab.
3. Receivable & payable are shown in the balance sheet which significantly consists of Trade receivable, and trade payable are subject to confirmation. (Refer to note no. 9 & 21 of notes to accounts of Standalone financial statements)

Our opinion is not modified on the matters mentioned in Key Audit Matters and in items (1) to (3) in Emphasis of Matters hereinabove.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation or has no realistic alternative but to do so.

The management and Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Punjab Communications Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit the preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with the authorizations of management and directors of the company; and
- (3) Provides reasonable assurance regarding the prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our knowledge and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting, and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

State of the Company's Affairs

During the Financial Year 2022-23, Puncom has tried its best to grab maximum volume of work from Railway, Power Sector and from private parties. Most of tenders floated by Railway were for composite work i.e. Bought out items and Outdoor OFC Work, Trenching, Laying and Termination of OFC. Component of Puncom make products was negligible in these tenders. In Power sector like PLCC we have limited options for participation in tenders due to lack of major device protection coupler. Besides this, the company has participated in new technology tenders of Southern Railways, IPMPLS of value 28 crore, results are awaited. Puncom is now making efforts to make some inroads in new technology products, VoIP and Surveillance by impaneling RDSO/ TEC approved companies that will help to attract more business.

Corporate Plan/ Market Scenario of our products

No doubt the market share of Puncom products is reduced but Puncom is still trying with some relevant products. Following is the market status of our products.

- LMU (Line matching unit)- It is low cost product used to couple the high frequency communication signal to high voltage power line. Puncom is very competitive in this product compared to our competitors and supplying it to different states power transmission companies. This product being the outdoor unit has a life so power transmission companies have to replenish it after some time. New state transmission corporations to be explored where it can be sold.
- PLCC (Power line carrier communication)- Puncom is having analog PLCC system whose demand is on decline , but due to low cost compared to digital PLCC, some power transmission companies are still opting it. This product is normally deployed with Protection coupler which Puncom has to outsource from other companies. To compete, Puncom is searching other new low cost protection coupler manufacturer.
- V-Mux (Versatile Multiplexer)- It provides full range of managed voice and data services in E1 stream used by Railways at different locations. But as Railways is upgrading to higher number of ports and speed, this product is also losing demand. Puncom is getting orders of this product in small quantity where higher end equipment is not required. As Railways has shifted to voice communication on VOIP and backbone communication on IP-MPLS. Puncom has empanelled companies for Integrated multiplexer and IP-MPLS routers to execute railway projects.
- CCEO (control communication equipment for OFC)- This product was developed a few years back for railways and we got a few orders on zone basis demand and criterion as some other zones are opting other ways of communication. (like IP/Ethernet based products)
- Power Plant (48V/25A charger)-Railways is buyer of this product and still in demand but cost of product is higher compared to the competitors. Puncom is trying to reduce its cost by 20% to 25% by finding alternatives of costly components so as to sell it at competitive rate.

As our products are in low demand, Puncom is exploring railway zones and Power transmission subdivisions where small quantity orders can be sought. Puncom is undertaking annual maintenance/repair contracts of their own products from various customers which contributes good revenue. It also highlights that Puncom is always ready to support after sale.

Telecom Scenario in India and Puncom approach

For Indian telecommunications industry, 2022 was a significant year, with the services taking another generational leap with the launch of 5G services in the country. The digital infrastructure industry stood up to the challenge and commenced the task of densification of networks, so demand of devices which support 5G primarily focusing in areas like smart class rooms, precision farming, intelligent transportation and healthcare is increased. Government of India has launched the production linked incentives scheme to give incentives on basis of domestic manufacturing of telecom and networking products. Presently Puncom main customers are Railways and Power transmission corporations (center & states). Most of products were developed before 2010, now they are not technologically competitive but there are some areas where customer demand is low cost solution, Puncom is supplying their products (like PLCC and Multiplexer)to such areas. Areas where high end product is required, Puncom is bidding by empanelling the manufacturers e.g. IP-MPLS system.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Punjab Communications Limited, premier telecom and IT Company was incorporated in the year 1981 by the Punjab Govt. for giving fillip to the Electronics and telecommunication industry in the region. The company passed through a very good phase from 1981 to 1993, and came up with a public issue in October 1994. Despite high premium, the issue was heavily oversubscribed. The company achieved a record turnover of Rs157cr during the year 2001-2002, when its net worth was Rs 181 cr.

Thereafter the turnover of the company was adversely affected due to industry wide shift from landline based narrowband communication to wireless and broadband. Realising this, the company made attempts to broaden its customer and product base through tie-ups with foreign companies including Huawei Technologies of China for supply of DWDM equipment and technology transfer of POWER PLANT from RTP Australia. Simultaneously, for improving bottom line, the company went about development its core markets of railways and power sector with own products. Line Matching Unit was developed for power sector market and CCEO system for railways for communication between control office and way stations and executing projects with Multiplexer and SDH. The company is on lookout for additional partners for new products and services for new markets. The company has empanelled OEMs of IP-MPLS for projects in railways and power sector.
